

Varifocal Bullet with Smart IR

6332-0 & 6332-W

Channel Vision's Varifocal Bullet with Smart IR provides a wide area of coverage during day and night with the ability to view objects in great detail at 650 lines of resolution. Its waterproof outdoor camera design and LED illumination make it ideal for CCTV installations where there is no ambient light and no shelter for the surveillance camera. The Varifocal Bullet with Smart IR automatically adjust the infrared light required as the subject moves closer to or further away from the camera, resulting in a clear image up to 45ft. that is not washed out or too dark. This Smart IR feature makes the 6332 the perfect camera for high traffic areas such as retail stores, commercial surveillance and home entry points. Available in Oil Rubbed Bronze (6332-0) and White (6332-W). Power Supply 5015PS NOT included.
