

CHANNEL VISION™

Easy, Affordable, Stylish - iBus® Wall Docks Made for iPod®

Dock & Rock!

Channel Vision's iBus® Wall Docks, made for iPod, offer high quality, multi-room distribution of iPod® tunes. Integrate the iBus easily and affordably into any existing A-BUS® or standard distributed audio installation. Users can listen to their favorite iPod tunes in one room, while others listen to theirs, in separate rooms, all on the same system.
