

# CHANNEL VISION™

## C-0138DD Metal Hinged Dual Door

Channel Vision's C-0138DD is a metal hinged cover for the popular C-0138E 38" structured wire enclosure. It features two hinged door sections each with their own latch. This segregates the structured wire enclosure, allowing an end user to have access to some components while restricting access to other components.

# C-0138DD

### *Features:*

- Compatible with C-0138E
- Two hinged door sections
- Top and bottom vents for convective cooling
- Lock mechanisms included
- Heavy duty metal hinge for long lasting durability

Note: C-0138DD is shown here mounted to C-0138E (sold separately).
