

CHANNEL VISION™

G-1CDW 1-Gang Decorator Cable Port

Channel Vision's new G-1CDW is perfect solution for home theater wiring problems. This recessed decorator-style cable port provides an attractive and efficient way to route wiring into or out of the wall. It can accommodate the wiring needed in most home theaters and if more room is required additional units can be installed side by side and grouped together in a 2, 3, or 4-gang decorator trim plate.

G-1CDW

Features:

- Fits in a 1-Gang Low Voltage Bracket
- Compatible with the CC-372
- Ideal for special cables such as HDMI
- Multiple units can be mounted side-by-side
- Easy to Install
- Comes with screwless decorator trim plate (not shown)
