

CHANNEL VISION

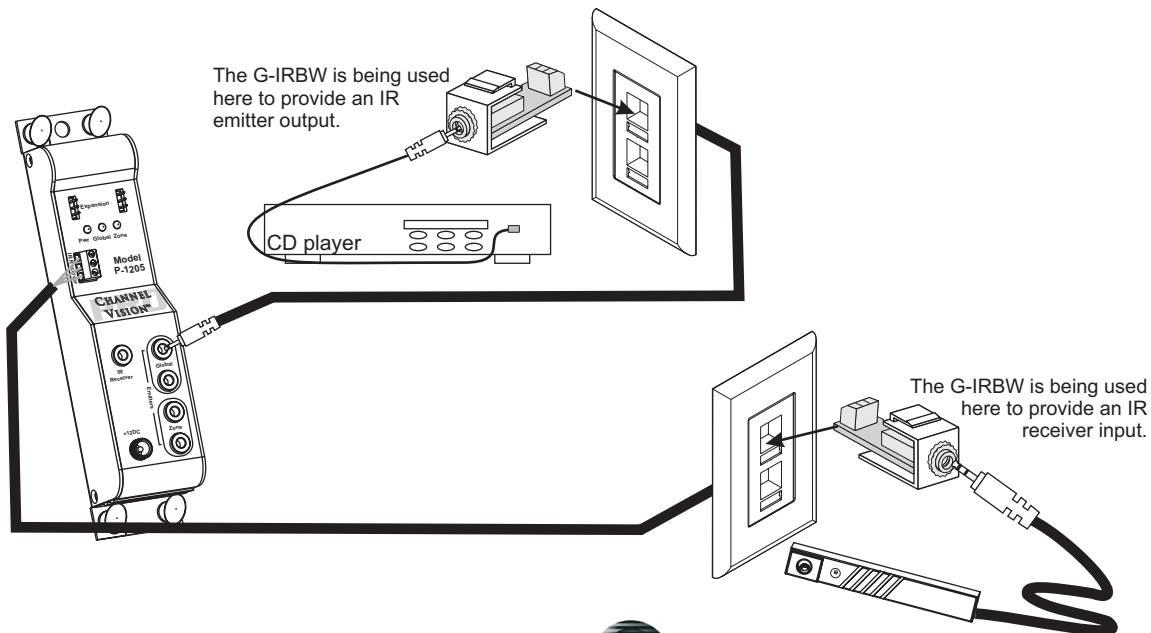

G-IRBW, J-IRBA & J-IRBI IR Breakout Wall Plate Insert

The G-IRBW, J-IRBA, and J-IRBI wall plate inserts allow IR receivers and emitters to be easily and neatly connected to a standard wall plate. These inserts provide a 3.5mm female jack on the front side and a 3-position screw terminal on the back.

Features:

- Can be used for IR receivers or emitters
- No soldering required
- Provides a clean and versatile IR wall plate interface
- Compatible with all Channel Vision wall plates
- Available in white (G-IRBW), almond (J-IRBA), and ivory (J-IRBI)
